

Dear Learning Coach,

The end of school year testing is coming soon. This year the state of Utah end of year standardized test for 3rd through 12th grade students is SAGE. This is a face to face assessment. Please watch this five minute recorded jing to become familiar with the new SAGE.

SAGE part 2: <http://screencast.com/t/o6ZMGCqSK>

Your student can prepare for the assessment by taking SAGE practice tests. This jing will teach you how to access the practice tests and answer questions you might have regarding SAGE. Please go to this link for practice tests. Be sure to use *Mozilla Firefox* as your browser. SAGE does not work well with Internet Explorer.
