Blue Track

The blue track is designed for students who have proved they can maintain an A or B grade average and need flexibility in their schedule. If approved for Blue Track, students are not required to attend the live class(es) nor do they need to watch the recording.

Requirements:

Assessment Score

SAGE proficiency score in the 3 tested subjects (Score of 3 or 4)

Benchmark score of at least 70% or higher

Grades:

Student maintained an A or B in previous quarter course.

Learning Coach committed to prepping and delivering instructional lessons daily.

Understand that to remain in the asynchronous track student must remain at or above 80% in course(s).

Approval from Lead Teacher after student and learning coach fill out the application.

Note: Newly enrolled students are not eligible for the blue track their first quarter at UTVA

Yellow Track

The Yellow Track is designed for students who have a schedule conflict with one of their scheduled live taught classes. On the yellow track, students are **REQUIRED** to watch the lesson recording within 24 hours of it being posted.

Requirements:

Have a legitimate schedule conflict and complete an application.

A description of the schedule conflict must be provided in the application!

Note: If students aren't watching the recordings and completing their exit quizzes, they are subject to lost points on their grade.
